

Dear Seniors and Families of Seniors,

Photographers from Strawbridge Studios will be at Western on October 3rd and 4th to take senior portraits. If you would like to have a *free* portrait taken, please reserve a time slot by using [this SignUp Genius](#). Please report to the main office at the time of your portrait and we will send you out to the photographer. More information can be found on the flyer attached to this message.

If you are using a portrait that was not taken through school, please submit the file to wahsyearbook@k12albemarle.org by December 6, 2024. Please include the student's full name in the email message so that we can track submissions. We will email you a confirmation that we received the image within two weeks. Please reach out to the yearbook staff, if you don't receive a confirmation.

Senior Portrait Specifications

- a current photo from the 2024-2025 school year
- a seated or standing pose
- taken from a medium or medium-closeup range: hips to head
- portrait format, not landscape
- well-lit
- school-appropriate dress
- no props or pets
- JPG, TIFF, or PNG file format
- a digital file size of 1mb or more. Bigger is better. We can always scale down a large image, but we can't scale up a small image without it pixelating.

There are examples in the second attachment of this email.

Questions can be directed to our yearbook sponsor, Nick Bradsher at nbradsher@k12albemarle.org.

Thanks,

Jenn Sublette, WAHS Principal
