### **Questline**

Passage through Alderra is required to complete the questline.

### **Expedition**

The governor has canceled funding for expeditions, so we're left hoping that someone rich will decide to add to their collection of rare items.

-  Collect 150 flax. Skip for 22 
-  200 grow coffee. Skip 20 
-  Go to the location of Alderra.

Until vanity drives people to decorate their mantels our job will never run dry!

Reward: 3  , 20,000  , 30 

---

### Volcanoes

I was very fortunate to set out on an expedition to a largely unexplored area of the Extinct Sea: Alderra.

Make 20 boards in the Furniture Factory or Timberworks. Skip for 16 . 

Sell 200 Harvest of fruit trees. Skip over 22 

11 Make yogurt. Skip 24 

Volcanoes of Alderra became fully dormant only a few months ago. No one knows when they will erupt again.

Reward: 5000  , 30  , 3 

---

### Wondrous Plants

We decided to take some samples of the wondrous plants that grew right out of the volcano ashes.

Make 4 Cardboard in the Furniture Factory or Timberworks. Skip for 22 

Collect 150 milk cows. Skip for 24 

Make 2 mirrors in Arnica. Skip 20 

The first plant to join our collection was a Lavabloom. It's a rare flower that can survive even a volcano eruption due to its powerful stem.

Reward: 110  , 5  , 40 

---

### Macabris

One botanist noticed trees that looked as if they had grown out of craters with boiling lava.

Make 4 Barbells on Arnica. Skip over 16 

Make 5 red extract on Ukhty. Skip for 18 

Harvest 150 Red Currants. Skip for 24 

No one from our group had seen Macabris before, but thanks to an old French anthology we easily recognized it.

Reward: 30  , 4  , 2 

### Red Arrow Bush

Next to Macabris we found colorful bushes that looked like they belonged underwater.

Harvest 130 Marrow. Skip 20 

Remove the blockage.

Stage 1: 1  , 5  , 8 

Stage 2: 8  , 3  , 10 

Collect 100 sheep wool. Skip over 26 

The Red Arrow bush, as we have already discovered in our previous expeditions, isn't as harmless as it seems.

Reward: 30.000  , 75.000  , 80 

### Samples

Our group divided into two parties: one was collecting flora sample, the other set out in search of the Lava Temple.

Create 12 stools. Skip for 18 

Harvest 50 cherry trees. Skip for 24 

Make 10 carrot sticks on Ukhty. Skip for 22 

The Lava Temple was built in Alderra only a few centuries ago, yet it already was destroyed and rebuilt 6 times.

Reward: 20  , 10  , 4 

---

### In The Temple

At first glance the Lava Temple looked like a bunch of rocks crusted in lava sauce.

Make 10 Shelving on Aery. Skip for 20 

Make 30 Blueberries in the Barn or on Scalp. Skip for 20 

Collect 50 Pears. (Box of Pears made & brought home from Sunrise Count. Also pears collected from the Botanical Garden.) Skip for 26 

It took us a few weeks to deal with the rockfall and find the entrance to the temple... It was well worth it!

Reward: 110  , 1  , 1 

---

### Ancient Artifact

Expeditions like this one have not only researchers of different calibers, but bounty hunters like myself. You have to keep your eyes peeled for our kind.

Make 5 Chocolates in the Cottage. Skip for 16 

Make 10 Jugs in the Pottery or Manufactories. Skip for 22 

Make 7 beds in the Furniture Factory or Timberworks. Skip for 28 

I had to take great pains to hide the ancient artifact in my sled.

Reward: 1  , 150  , 500 

---

### Trust

I knew that the ancient artifact would go to a person who's research would bring a lot of good.

Make 18 Chains in the Tinker or Metallurgy. Skip for 24 

Make 11 Plaid Throws in the Spinnery or Manufactories. Skip for 26 

Harvest 300 Rye. Skip for 28 

I needed to make a choice, and quick. The bounty hunters suspected something.

Reward: 1  , 3  , 20 

---

### Awakening

Early in the morning one of the scientists delivered some bad news: the volcano of Alderra was active again!

Make 16 Glass (balls) in the Glass Blower or Steelworks. Skip for 26 

Remove the blockage. Can NOT be skipped

Stage 1: 10  , 8  , 15 

Stage 2: 8  , 10  , 4 

Make 10 Vegetable Stews on Ukhty. Skip for 28 

The volcano will destroy the Lava Temple again but it's not the end of the world! The most important thing is that the ancient artifact is in good hands.

Reward: 10000  , 1  , 5 

Quest **Awakening** must be completed to settle Alderra
