

Stride Poster Art Competition

Stride x Cosmoverse 2023 Poster Art Competition

Now accepting
submissions.

Deadline: 9/27/23
@ 19:00 UTC

stride

ABOUT:

In honor of the fast-approaching Cosmoverse 2023 in Istanbul, we are hosting a Stride Community x Cosmoverse poster art competition for our Discord community. Help us get excited and show off our awesome community as we approach the biggest in-person gathering of Cosmonauts of the year!

We are asking the Stride community to create poster designs that capture the essence and excitement of Stride at Cosmoverse 2023! After a year of exciting upgrades and surpassed milestones in Cosmos liquid staking history, we are interested in seeing what your creative and artistic interpretations of this time look like.

REWARDS:

In addition to a public feature on our Stride official media accounts, the **top three submissions** for the poster art competition will be **displayed at the Cosmoverse 2023 from the Stride booth!** There will be a different winning submission displayed for each day. The art will also serve as **that day's design for the Stride badges given out at Cosmoverse.** When people visit the Stride booth, they will be offered a free download of the Stride at Cosmoverse design in badge form (minted via Stargaze) as a way to welcome them into the community.

As winning designs will be displayed publicly at the event, we ask you to consider Stride's [branding](#) and our values of minimalism, neutrality, and professionalism.

SUBMISSION CRITERIA:

The theme of the art is simply **Stride at Cosmoverse 2023**. While we offer a concise set of criteria for submissions to follow regarding brand alignment and appropriate content, we ultimately encourage creative freedom for this competition. Be elaborate and creative - this is a unique opportunity to show off your artistic vision of Stride within the Cosmos. Please note the criteria below as we will not make exceptions.

- .png or .jpg images only - no videos or gifs
- Landscape (horizontal) or square format for the television display
- HIGH RESOLUTION images only - low resolution cannot be displayed
- Official Stride brandkit and colors are used
- art should not *centrally* feature other projects - this is for the Stride booth!
- text/writing are mostly limited to titles or brief slogans
- Can be any type of visual art - digital or illustrative
- no inappropriate or NSFW content, no price talk, no tasteless takes

HOW TO SUBMIT:

Upload your design to [this form](#).

Use the [Stride Brand Assets for Community files](#) to help drive your creativity.

TIMELINE:

Competition opens Thursday 9/14. Submissions close on Friday 9/29 at 19:00 UTC.
