

September 13, 2024

Dear Spring Mills Families:

The first full week of school is in the books. We continued spending time getting to know our teachers and classmates this week. We practiced routines and procedures and showed what it looks like to be safe, respectful, and responsible (the 3 B's) in all areas of the school. We do a lot of this work up front so that, later on, our classrooms can focus on deep learning!

Sincerely,
Bob Brazier
Principal
bob.brazier@hvs.org

Spring Mills Elementary - Huron Valley

Class Shirts for the Fun Run!

Thanks to the PTA, they are free. [HERE](#) again is the link.

Attendance Procedures

To report an absence, call our 24-hour attendance line (248-684-8086). **This number is also on the magnet you received today!** When you call, state your child's first and last name, and the reason for their absence.

Regular attendance is a crucial component of a student's education. If we do not hear from you regarding your student's absence, we will call to verify the absence.

Illness

Please do not send your child back to school until they have been vomit-free, diarrhea-free, or fever-free (without medicine) for 24 hours.

Extended Absences and Vacations

If your child(ren) will be absent for an extended period of time, please complete a [pre-arranged absence form](#).

Medication Drop Off

If your child requires medication during the school day, a parent or guardian must drop off the medication, in its original bottle, along with a Physician's Plan of Care found [HERE](#). Contact the main office (248-684-8130) if you need assistance.

Safety & Security

When you enter Spring Mills, you must show your ID and state the reason for your visit. Please be prepared with your ID every time you come to the school during school hours. Thank you for sharing this expectation with everyone on your student's emergency contact list.

[THIS](#) helpful webpage details the School Safety efforts that Huron Valley Schools have put in place.
