

Abstract Submission Guidelines

Preparing for Abstract Submission

Author information

- Only a maximum of one abstract is allowed to be submitted per student. If an abstract is accepted, the presenter must be one of the co-authors listed.

Format

- Abstract must be written in clear English.
- Abstract should be submitted in the word document template provided.
- Please title word document as such:
ABSC2027Abstract_First name_Last name
- Please underline the presenting author's name in the author list.
- The abstract body is limited to 350 words (*including title, introduction, methods, results, and conclusions/impact*).
- All abstract contents should be structured into the following sections:
 - Introduction** - A brief statement about the purpose of the study and the pertinent background.
 - Methods** - The method(s) of study or data collection employed.
 - Results** - A summary of study research including sufficient details to support the conclusions.
 - Conclusion/Implications** - A statement explaining the significance of the work and the implications of further research.
 - Acknowledgements** - In one line, state the supporting grant number and agency name. (optional)
 - References** - List Author Name(s). Journal Name. Year. Page Number(s).
 - Presenter Biography** - A brief, 2-3 sentences about the presenting author.

Review Procedure

All abstracts submitted to ABSC 2027 will go through a review procedure and be evaluated by a judging committee comprised of faculty members, who will also be present as judges on the respective days of the conference.

Important Information

- By submitting an abstract, participants consent to present their work during ABSC 2027 and would ensure their availability on the conference session dates.
- Participants will be notified of the outcome by **11 December 2026**.
- More information will be provided for shortlisted participants upon outcome notification.
- The designated presenting author of the abstract (subject to acceptance) must register for ABSC 2027.

ABSC 2027 Abstract Template
