NIGHT - ♡♡♡♡♡♡♡♡♡♡

She catches onto things quickly and might know my secret already I have to watch what I say and play up the flirting as it seems to disengage her. She might see through me I have to be careful with her.

Her skills are amazing and I've joined up in a guild because of her. My first night in a bed....<3 best thing ever. My joints thank everyone for this. Seems

Nora - ♡♡♡♡♡♡♡♡♡♡

Left me on nepent quest

Tends to get into dangerous situations

Brash but big hearted....I'm afraid of her a little bit. Being with her could get me killed

Koga - ♡♡♡♡♡♡♡♡♡♡

He's like a protagonist not all that special but has a lot going for him.

Engaged Noctura

Also abandoned me the dick but he at least warned me but I would have liked the back up!
Stupid Nepents! ((stress off the quest Secret of Medicine stressed Lonzo into disliking Koga))
***Maybe dumped Noctua because his sister and some stranger said lies about Noctua**

Noctura ❤️❤️♡♡♡♡♡♡♡♡

Great fast working artisan!

Engaged to Koga!

Shy and sweet.

UPDATE Less shy, can waltz and ballroom dance, and picked up the salsa very well <3!

She's actually rather cool. **CLAIMS: Dumped by Koga read Koga for more details**

Single

I want to trust her but it's too soon for me. She's in her own drama filled world and I'd sooner protect her than worry about my own needs. Still she did make me feel like I have meaning to be here. I hope I helped her.
