

ST. MICHAEL - ALBERTVILLE SCHOOLS

EXCELLENCE IS OUR TRADITION

Minnesota Student Survey 2025

The Minnesota Student Survey (MSS) is conducted in schools across our state every three years in grades 5, 8, 9, and 11. Federal law requires us to notify parents of this school activity.

Questions on the survey are about many topics relating to young people's lives. The survey asks about how well school is going, future plans, out-of-school activities, physical and mental health, relationships, substance use, and more. High school students are asked about sexual behavior. This useful information about their thoughts and behaviors helps communities and schools develop effective programs and provide better services.

This survey is anonymous. To prevent individuals or families from being identified, students do not provide their names, student identification numbers, or other personal information.

This survey is voluntary. You may choose to have your child not take the survey by completing and returning an opt-out form that will be sent to families in January prior to the survey being given in February every 3 years.

Parent Satisfaction Survey 2026

The Parent Satisfaction Survey is conducted every 2 years to assess the general level of parental satisfaction with STMA schools. The survey is anonymous and is sent out electronically or, upon request, by paper copy.
