

## **Heather Drobiarz Waters**

Originally from Old Saybrook, Connecticut, Heather Drobiarz Waters resides in Providence, Rhode Island with her husband Dan, daughter Sophia, and 100-lb Bernese Mountain Dog, Brewster. Daughter of TBI Board member, Martin Drobiarz, she's proud to carry on the tradition of supporting Temple Beth Israel as her grandparents, Henry and Sophie Drobiarz did so many years ago.

After graduating from Emerson College, Heather moved to Los Angeles to begin a career in the television industry at NBC. She continued on this path for the next decade, working her way up to Supervising Producer on Bravo series' Southern Charm and Southern Charm Savannah.

Soon after welcoming her daughter, Heather was diagnosed with breast cancer and with the support of her family, battled for the next year. Soon after feeling healthy, she pivoted to a role in the tech industry as a Content Strategy Lead at Wayfair, where she plans, organizes, and creates on-site content.

You can often find Heather surrounded by family and friends, spending time outdoors on hikes with Brewster, enjoying the beach, golfing, and skiing.
