Title:

Service-Learning in Theory and Practice: The Future of Community Engagement in Higher Education

Author:

By Dan Butin (Author), 2010

ISBN:

0230622518

Synopsis:

This book offers a comprehensive rethinking of the theory and practice of service learning in higher education. Democratic and community engagement are vital aspects of linking colleges and communities, and this book critically engages the best practices and powerful alternative models in the academy. Drawing on key theoretical insights and empirical studies, Butin details the limits and possibilities of the future of community engagement in developing and sustaining the engaged campus.
