Content Warnings

This section is divided into two sections for both Crossover and Cult of The Moon. “Crossover” contains multiple sensitive themes for the pure factor of being educational, relatable, bringing awareness, or in general just for story elements. Despite having a censored/kid friendly version and an ‘uncensored version’ we advise to still view at your own risk. “Cult of The Moon” is a story purely based on Sheepy’s trauma and should be highly advised to view at your own risk; that being said as well the age rating is set to 16+ or Rated X for Cult of The Moon.

“Crossover”

- Death
- Grooming
- Explicit Violence
- Hypersexuality or Hints of Hypersexuality
- Mental Health & Disorders
- Mild Blood

- Portrayals of Ableism, Bullying & Racism
- Suicidal Themes

This list will continue to be monitored and will have changes be made accordingly

“Cult of The Moon”

- Blood & Gore
- Death

- Portrayals of Ableism, Bullying & Racism
- Suicidal Themes

This list will continue to be monitored and will have changes be made accordingly

Note; I believe you can show certain themes in a story, but that always depends on how it's executed to your audience and the audience you are catering to - Sheepy

General

This section is here for the main purpose of just: respect. We are a small studio as of right now and are a lot more stricter about what people can and can't do with our work. Some of these terms will be dropped in the future depending on how far we get.

- Do not sell 'Official' merch or merch in general that isn't specifically made or approved by us
- Do not steal/copy/heavily reference a character for the purpose of claiming it as your own. If you have any questions, need assistance, advice, etc; contact one of the people handling the site (+ social medias)
- You may set character art as an icon, banner, etc and or roleplay with the characters; ***BUT CREDIT MUST BE GIVEN***
- Make your own redesigns; ***THIS IS MEANT TO BE FOR FUN ONLY, IF YOU HAVE ADVICE CONSIDERING DESIGNS BE CONSTRUCTIVE ABOUT IT. CREDIT MUST BE GIVEN***
- Do NOT use artwork from to the team for the sole purpose of NFTS or creating AI Art
- In terms of kinning and kinsonas, kinning (as well as 'comforts') is allowed but kinsonas NEED to be ran through by the specific character owner to be created and needs to have proper credit given

This list will continue to be monitored and will have changes made accordingly. If your concern isn't listed here then you may contact us OR it means that it isn't a concern to us and is allowed

Toyhou.se Etiquette

Due to the fact that Toyhou.se does NOT function like a regular social media site and has a smaller number of users compared to any popular social media site; we have decided that it's best to have some sort of 'etiquette' whilst you look around the site

- Do not put characters into dreamie folders
- Do not offer on characters; you'll find out if a character is up for offer if it's announced on [@DetectiveHawkfrost](#), [@x0x0Sheepy](#), or if the character has been moved to [@MissCalamity](#)
- "Favorite Bombing" is allowed
- In regards to "Kinsonas" or anything similar; we recommend you not upload them to Toyhou.se even with proper credits. Please refer to "Rule 5. Derivative Content: 5.1 Canon Characters" of [Toyhou.se's rules](#)
