OSGA Resolution #SC25-026

Author(s): Keo O'Bryant (RSC), and  
Adisen Williamson (SSC)  
Committee: Fire Committee

AS INTRODUCED

A Resolution urging the Oklahoma State Regents for Higher Education and the Oklahoma State Government to create a statewide document with the official and standing rules regarding Robert's Rules and also examples of legislation and bill drafting so that there is cohesion between Student Government Associations in Oklahoma.

UNDERSTANDING, Many Student Government Associations have different standing rules and/or language used; and

BELIEVING, Providing personal recommendations that deviate from the official Robert's Rules will create cohesion within the organization; and

WHEREAS, Adding examples of how each institution creates legislation and or bills would promote further experience and creativity; and

WHEREAS, Without this document Student Government Associations do not have a way to express their creativity when using Robert's Rules.

PROVIDING, This document shall include not only standing rule modifications to Robert's Rules but also templates and examples of legislation-writing formats submitted by participating institutions, allowing for inspiration and adaptation.

NOW, THEREFORE, BE IT RESOLVED BY THE OKLAHOMA STUDENT GOVERNMENT ASSOCIATION THAT:

1. The Oklahoma State Regents for Higher Education, in collaboration with the Oklahoma Student Government Association, shall maintain a shared database of submitted examples, accessible to all student governments across the state.
2. The Oklahoma State Regents for Higher Education and the Oklahoma State Government are urged to mandate the establishment of this document between all public higher education institutions in Oklahoma, ensuring that the view and use of the document is consistent with the values of the applicable student government association.

3. A copy of this resolution be sent to the following individuals:

- Savannah Alldredge, President of Oklahoma Student Government Association
- Oklahoma Regents for Higher Education
