

Dear (client name here),

Medicare Beneficiary

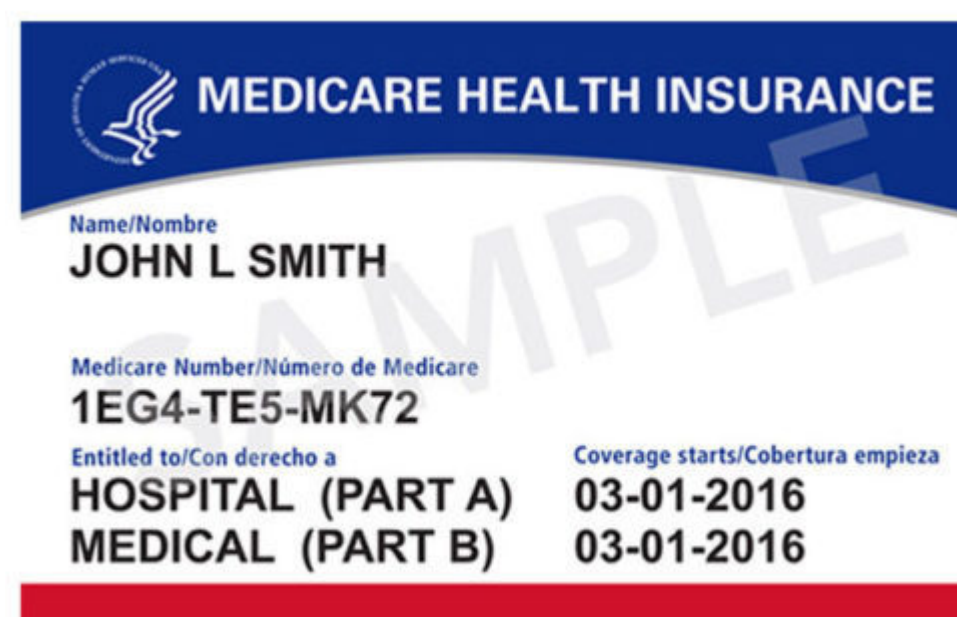

As you near age 65, you need to learn about Medicare coverage choices and make several important enrollment decisions. There are a lot of different options to choose from as I represent all the local carriers in the area. So once you receive your Medicare card, I will be able to help you transition into that plan. There can be penalties if you do not enroll on time, so it is best to learn about Medicare as early as now!

**Get the benefits you may need with a Medicare Advantage plan, such as\*:**

- Doctor's office visits and hospital coverage
- Prescription drug coverage\*\*
- Maximum annual out-of-pocket protection
- Preventive coverage

**Plus the extras you may want, for example:**

- Convenient mail-order pharmacy options
- Wellness programs
- Emergency coverage at home and when you travel
- And so much more!

As a licensed sales agent, I can answer your questions and help compare your coverage options.  
**CALL ME — I CAN HELP YOU FIND THE PLAN THAT BEST FITS YOUR NEEDS.**

Sincerely,
