

August 2024

Dear Boulder High Families,

Welcome Back-To-School! We are excited to begin the 2024-2025 school year and kick off our annual fundraiser. At Boulder High School we place a high value on the education of all of our students. We are fortunate to be part of a school that is rich in history, tradition and has an extremely talented staff. Each year, our educators find innovative and exciting ways to continue to support our students. While our school budget often falls short of being able to fulfill all of the requests our teachers desire for their classes and classrooms, we are fortunate to have the support and partnership of our parent community.

\$225 for 2025! We are suggesting \$225 PER STUDENT for the donation. In this fundraising effort, participation is extremely important! ANY amount you can help is appreciated and welcomed. Please know that whatever your level of comfort to donate does make a difference.

Please use the form at the bottom and mail your donation to PAC or visit the [PAC website](#) to make a donation online.
