

Educate your colleagues with every email by using these ELL tips under your name and title!

- ELL Tip: Draw pictures to increase ELLs comprehension during your lesson.
- ELL Tip: Wait time for ELLs gives them language processing time.
- ELL Tip: Make lessons comprehensible to your English Language Learners by using Graphic Organizers within your lesson.
- ELL Tip: Provide opportunities for your ELLs to practice language during each of your content lessons.
- ELL Tip: Did you offer your ELL a supported opportunity to speak in class today?
- ELL Tip: Key vocabulary for each

lesson should be emphasized:

Introduced, written, repeated, and highlighted for students to see.

- ELL Tip: Provide opportunities for your ELLs to practice language during each of your content lessons.
- ELL Tip: Key vocabulary for each lesson should be emphasized: Introduced, written, repeated and highlighted for students to see.
- ELL Tip: Make lessons comprehensible to your ELLs by using graphic organizers within your lessons.
- ELL Tip: Draw pictures to increase ELLs comprehension during your lessons
- ELL Tip: Your partner doesn't like

repetition but your ELL students do.

- ELL Tip: ELs who have IEPs need MORE scaffolding, modeling, guided instruction, direct instruction, language structures, questioning (checking for understanding), prompts/clues/signals, frontloading, and building of background knowledge.
