National Merit Finalists

The National Merit® Scholarship Program is an academic competition for recognition and scholarships that began in 1955. Approximately 1.5 million high school students enter the program each year and some 50,000 with the highest PSAT/NMSQT® Selection Index scores qualify for recognition in the National Merit Scholarship Program. In February, some 15,000 Semifinalists are notified that they have advanced to Finalist standing. Fayetteville High School consistently ranks at the top of the most National Merit Finalists in the State of Arkansas.
