YAMAN APPS
PRIVACY POLICY

Your privacy is important to Yaman Apps. When you use our services (Mobile Applications), we may collect and use your related information. If the related information was not provided, you may not register as our user to use some of our services or we may not be able to operate effectively and provide you with the best experiences from our services. So we've developed a Privacy Policy that covers aspects of how we collect, use, disclose, transfer, and store your information. Please take a moment to familiarise yourself with our privacy practices and let us know if you have any questions regarding our policy. This Privacy Policy ("Policy") applies to use our applications on all platforms (the "Application" or "Applications"), the related services we provide ("Services").

Collection and Use of Personal Information

Personal Information is what identifies you or another person, such as your first name and last name, physical addresses, email addresses, telephone numbers, fax numbers and information stored within your device. We DO NOT collect, store or use any personal information while you visit, download or upgrade our products, We may use personal information submitted by you only for the following purposes: help us develop, deliver, and improve our products and services and supply higher quality service; manage online surveys and other activities you've participated in.

In the following circumstances, we may disclose your personal information according to your wish or regulations by law:

(1) By the applicable law within or outside your country of residence, legal process, litigation requests.

(2) By requests from public and governmental authorities.

(3) To protect our legal rights and interests.

(4) Your prior permission.

Collection and Use of Non-Personal Information

We may collect and use non-personal information in the following circumstances. To

have a better understanding of user's behaviour, solve problems in products and

services, improve our products, services and advertising, we may collect non-personal

information such as installed application name and package name, the data of install,

frequency of use, country, equipment and channel.

If non-personal information is combined with personal information, we treat the

combined information as personal information for the purposes of this Privacy Policy.

We may use your Information for the following purposes:

(1) Customer services, security, fraud-detection, and backups when we are providing
you with our services.

(2) To evaluate the effect of advertisements and other marketing scheme we put in our
Services.

(3) To assure the safety of products and services we offer via using your
Information.

(4) To allow you to participate in surveys about our products and services.

(5) To help us develop new services and improve our existing services.

(6) To verify software or administer software upgrades.

(7) To provide our services to you.

Information we get from your Use of our Services

We may collect information about the services that you use and how you use them, such

as when you view and interact with our content. We may collect device-specific

information (such as your hardware model, operating system version, unique device
identifiers, and mobile network information). Yaman Apps will not share that

information with third parties.

Location and Information Security

Yaman Apps is very concerned about safeguarding the confidentiality of your

information. In the meanwhile we employ administrative, physical and electronic

measures designed to protect your Non-Personal Information from unauthorised access

and use. When you use a location-enabled service, we may collect and process

information about your actual location, like GPS signals sent by a mobile device. We

may also use various technologies to determine location, such as sensor data from

your device that may, provide information on nearby Wi-Fi access points and cell

towers.

Service Providers

I may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service.

- To provide the Service on our behalf.

- To perform Service-related services, or to assist us in analysing how our Service is used.

- I want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Unique Application Numbers

Certain services include a unique application number. This number and information

about your installation (for example, the operating system type and application

version number) may be sent to Mehr Tech when you install or uninstall that
service or when that service periodically contacts our servers, such as for automatic
Updates.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able to take necessary actions.

Security

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Privacy Questions

If you have any questions or concerns about Yaman Apps Privacy Policy or data

processing or if you would like to make a complaint about a possible breach of local

privacy laws, please contact us at mehrtech912@gmail.com. Yaman Apps may update

its Privacy Policy from time to time, which will not reduce your rights under this

Privacy Policy. When we change the policy in a material way, a notice will be posted

on our website along with the updated Privacy Policy. If you do not agree to any

modifications to this Policy, you could immediately stop all use of all the Services.

Your continued use of the Site following the posting of any modifications to this

Policy will constitute your acceptance of the revised Policy.
