

I'm Sam Smith; I'll rank your businesses in GOOGLE Searches (in a month). Therefore I wish to offer my services to smaller businesses they are based in Los Angeles.

### **WHAT IS INCLUDED?**

- I'll Position your long tail low competition keyword (One Keyword Only).
- Added with inclusion of your company website into popular search engine like Google and Bing.
- Advice about On-Page SEO improvements your company website.
- Social media account integrations like Facebook likes, G+ votes, etc.
- Assistance with Submission of Google Webmaster and Analytics.
- Do Basic Link-Building Package (High PR blogging platforms, Higher PR bookmarking, etc.)

### **WHAT CAN YOU REQUIRE FROM THE CLIENT?**

- Your website should be a Starter Website (new website).
- You must be considered a small company owner who's based out from the LA.
- Your business should be legitimate.
- Accept Local businesses, for example restaurants, super market, auto repair, carpentry, construction, retail store related businesses is recommended.
- Service Related or Product based companies also suitable.
- Have limited spots are open to ensure quality of my service
- An excellent attitude and patience. Please bear in mind, this is provide for free of charge so it might take 1-2 months to perform a visually appealing website based on how much details it'll be providing.

### **HOW MUCH WILL THIS COST?**

You will not cost} anything for my solutions. Tips are welcome however, not required.

### **WHAT'S THE CATCH HERE?**

The catch is that I'm attempting to build my portfolio in order that when I have enough ranked websites, I could charge later for new customers. I also desire to help local companies thrive and in this day and age, technology plays a significant role in getting home based business.

### **MAY I SEE YOUR EXISTING WORKS?**

I can show you after we have established communication.

### **HOW DO I CONTACT YOU?**

Since Craigslist is filled up with spammers, just answer this post. I favor not to hand out any contact details until I've established that you will be a legitimate business proprietor. Please provide the information sticking with your e-mail:

1. Your name.
2. Your contact info (prefer IM messenger, get in touch with s-k-y-p-e IM)
3. Company name.
4. Type of services or products your company provides.
5. What's your experience with internet sites and/or social media?
