Privacy Policy

App Name: City Hacks **Publisher:** TMK Tech **Last updated:** November 30, 2025

Introduction This Privacy Policy applies to the **City Hacks** app (hereby referred to as "Application") created by **TMK Tech** (hereby referred to as "Service Provider") as a Free service. This service is intended for use "AS IS".

Information Collection and Use The Application collects information when you download and use it. This information may include your device's Internet Protocol address (e.g. IP address), the pages of the Application that you visit, the time and date of your visit, the time spent on those pages, and other statistics.

Third Party Access Only aggregated, anonymized data is periodically transmitted to external services to aid the Service Provider in improving the Application and their service. The Service Provider may share your information with third parties in the ways that are described in this privacy statement.

The Application utilizes third-party services that have their own Privacy Policies about handling data:

- **Google Play Services**
- **AdMob:** Used to display advertisements. AdMob may collect data (such as device identifiers) to serve personalized ads based on your interests.
- **Google Analytics for Firebase:** Used to analyze user behavior and improve app performance.
- **Firebase (Firestore/Crashlytics):** Used for database management and crash reporting.

Location Data The Application may use location data to provide features such as showing nearby sights, restaurants, and maps. This data is used only when the app is in use and is not stored permanently on our servers.

Links to Other Sites This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by the Service Provider. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Security The Service Provider is concerned about safeguarding the confidentiality of your information. The Service Provider provides physical, electronic, and procedural safeguards to protect information the Service Provider processes and maintains.

Contact Us If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact the Service Provider via email at: **Email:** tmkdevcomp@gmail.com
