Way to Go Schoolpool Registration

Join C2E's Schoolpool program to connect with other families to drive, walk or bike to school together.

Looking for help getting your student to and from school or want to find them a buddy to commute to school with? We are pleased to partner with Schoolpool, a free program to make it easier to get to school. Signing up is simple!

1. Go to https://mywaytogo.org/s/schoolpool-c2e-steam80134 and create an account and enter your address or intersection. (For security reasons, this link is the only way for C2E families to register.)
    - Pro-tip: Use a computer. While it works on a smartphone and tablet, there is more functionality on a computer.
2. Add comments to indicate interest, such as "can provide morning rides in exchange for afternoon rides," "student is in after-school activities," or "looking for a walk buddy in the mornings."
3. Find and contact interested families.

The more families that register, the more likely you are to find good matches. Even if your family doesn't need a ride, consider signing up to drive other students. Your participation builds a stronger school community.

Privacy and security: *Challenge to Excellence Charter School and Schoolpool do not run background checks, confirm valid driver's licenses, or assess insurance coverage on participants. Potential users are advised to screen participants to their personal satisfaction and check their own insurance coverage for carpooling to ensure that they are covered under these voluntary arrangements. Schoolpool does not provide drivers, vehicles, or insurance.*
