ISOLATED SCHOOL DISTRICT BALLOT QUESTION

The MVSD School Board of Directors has officially called for an election to determine course of action regarding Timbo Schools detaching territory from the Mountain View School District to establish the Timbo School District (formerly Stone County School District #1). The following language has been approved by the Mountain View School District Board of Directors for inclusion on the March 2026 Stone, Searcy, and Baxter County election ballots.

To create a new school district in the territory that formerly made up the Stone County School District #1 and to detach that territory from the Mountain View School District pursuant to Act 919 of 2025.

Severe Weather Emergency Closure

In case of a severe weather event or other county wide emergency during the election, the only locations that will be kept open will be **First United Methodist Church**. This decision will be made based on recommendations from the Baxter County Judge's Office, Baxter County Emergency Management, and Baxter County Sheriff's Department to the Baxter County Election Commission. Information will be posted on the Baxter County website and on KTLO.

As provided in Ark. Code Ann. § 7-5-101(3)(A) A notice of a change made in a polling site shall be provided by posting information at the polling site used in the last election and by the county clerk mailing notice to affected registered voters at least fifteen (15) days before the election unless:

- * The election is a school election;
- * The election is a special election; or
- * The change in polling sites is due to an emergency arising less than fifteen (15) days before the election.

VIEWING YOUR BALLOT PRIOR TO VOTING:

Any voter may look up his or her sample ballot on the Secretary of State's website at: <https://www.voterview.ar-nova.org/voterview>. Ballots will be available no later than 20 days prior to the election. Sample ballots will also be available at the polling site.

This publication is paid for by the Baxter County Election Commissioners at a cost of \$.
