PROJECT EVALUATION: What preparation was involved? What was done at the project? Was the project successful? Should we do the project again? Please feel free to add any other information. Please write on the back of this paper! ☺

At this project, we helped set-up a few booths for the marathon expo though mainly, we had to work at a register for a merchandise stand. This meant selling clothes, answering any questions, and giving people directions. Overall, the project went pretty successfully even though it was just 1 person, and we should definitely do it again.
