U16:

Our U16 girls travelled to Abbeydorney Co. Kerry to play their first challenge game of the season VS Cillard Camogie Club in preparation for their league 😊

An excellent game, well done girls! 🙌🙌

They also welcomed Monaleen Camogie to Tournafulla on Sunday for an exciting Challenge game. Thanks to Monaleen for making the trip out to play us! 🙌🙌

County Squads:

It was a very proud weekend for our Club. One of our many star players, Roisin O Reilly lined out with Limerick Camogie Minors on Sunday for their first round of the All Ireland Championship VS Offaly Camogie in Kilmallock and had a great win. Well done Roisin!

Tierna Ward and Tori Smith have been playing with Limerick Camogie U17's over the past few weekends and have played some great challenge games. They prepare for their upcoming Munster Championship 🥳

Twins, Cora and Grace Long have also been playing with the Limerick U15 squad over the past few weekends. They welcomed Dublin Camogie to Cappamore on Sunday last 🥳

International Women's Day & Women In Sport Week:

It has come to the end of Sport Ireland's "Women In Sport Week", highlighting all females in all different capacities within sport. For us, that is Camogie! 🍀🥅

This photo is a true celebration of Women In Sport!

Margaret from Tournafulla and Margaret from Monaleen. Both Margaret's are managers of their club's U16 team, Tournafulla and Monaleen.

They played a challenge match in Tournafulla this morning 😊

Isn't it brilliant to see women managing teams and leading young ladies on their Camogie journey. 💪

Women in sport does not just refer players, it is all the women who help make our club run so well from year to year. These are players, coaches, first aiders, referees, committee members, fundraising volunteers and many many more.

A huge thank you to all these women. You give so much of your time to our club, to help our young and old players enjoy and celebrate this wonderful sport, we are forever grateful!
