3. Proceed with filling out the registration form. If you do not see your PI listed under the drop-down menu, please contact us at uic-staff@umn.edu for assistance. Click **Register** when you have completed the form.

Register for iLab

Fill out all fields to create a new account. Please note that information entered here is for the iLab service.

* PI/Group

* First Name

* Last Name

* Email Address

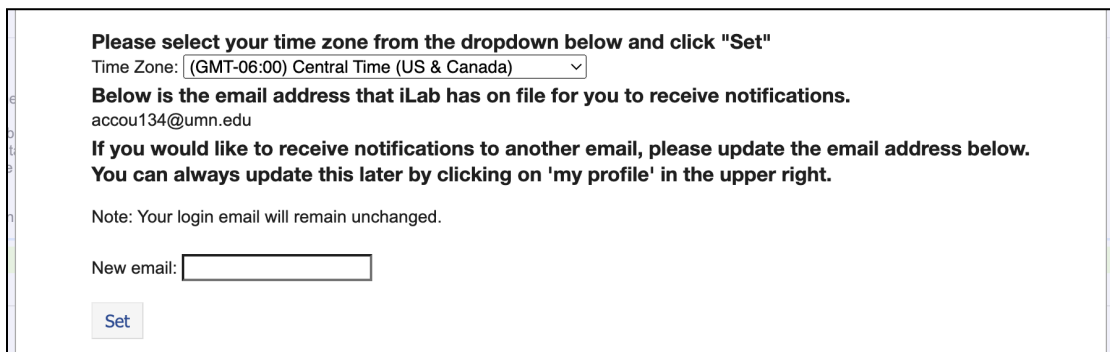

* Phone Number

4. After registering, your PI will receive a notification email from iLab to accept you into their lab and assign a UMN chart string number. Your PI must log in, click on “my labs” on the left panel, and then accept you into the lab. You will receive a notification when your PI has approved you into the lab. If your PI is traveling or otherwise unavailable please contact us at uic-staff@umn.edu.
5. Once your account has been approved by your PI, you may log in using the link below. We strongly recommend bookmarking this link for easy access.

6. When you log in for the first time you will be asked to set your time zone. **This is an important step to ensure the email notifications you receive for training and reserving UIC equipment display the correct time.**

If preferred, you may enter a different email to receive notifications. By default, notifications will be sent to the email address you used to register.

Please select your time zone from the dropdown below and click "Set"

Time Zone:

Below is the email address that iLab has on file for you to receive notifications.
accou134@umn.edu

If you would like to receive notifications to another email, please update the email address below.
You can always update this later by clicking on 'my profile' in the upper right.

Note: Your login email will remain unchanged.

New email:

7. You have completed registration for a UIC iLab account. As long as your account has been approved into your PI's lab, and assigned a UMN chart string, your account is ready for use.

Additionally instruction on how to access and reserve UIC equipment will be provided during your training session.
