

Dear Coach Jane Doe,

My name is Suzy Smith and I am a 5'11" 2019 setter touching 9'11" with MOD Volleyball club, Jersey #11. I am very interested in playing at the collegiate level and would love to talk to you more about the volleyball program and school. UC San Diego checks a lot of boxes on my college wishlist, both academically and athletically. I spent some time in San Diego 2 years ago and loved the area. I also have researched your program extensively and I am looking forward to learning more. Congrats on your win over Cal Poly last week! That third set looked to be so exciting!

I am starting my fifth season at MOD Volleyball, and recently completed my third season on varsity at New Trier High School in Wilmette, Illinois. I was a captain this year as well as earning all-conference and all-area honors as a junior. While I am proud of my individual accomplishments, one of my favorite moments this past season was when my team received the sportsmanship award from the Illinois referee association.

Academically, I have an ACT score of XX and my current GPA is a X.X. I am also enrolled in AP and honors classes.

Living in the Chicago area, I have been very fortunate to train under some amazing setting coaches, including, Elyse Glab (Northwestern), Lauren Van Orden (UCLA), and Courtney DeBolt (Michigan State). Their contact information is below.

There are links below for my videos from the 2023 club season, as well as recent varsity high school footage so you can see my ability to work with different hitters in different systems. You will also find my tournament schedule. If you are able to come watch me play, I think you'll find that I play with a lot of energy and that I truly love to play defense, which is my next favorite skill after setting!

Karen Sonders is my recruiting coordinator for MOD Volleyball. Her phone number is 847-293-8564 and her email is karen@modvolleyball.com She is also available for any communications.

I look forward to hearing from you and having the chance to talk about how I may be able to contribute to your volleyball program.

Very Sincerely,
Suzy Smith
