We want to make sure we have enough food for everyone! Families, please let us know if you plan to attend by either completing the [RSVP Google form](#) OR calling the office at (303) 347-4550 by Thursday, November 13th. Note, you do NOT need to RSVP for current Hopkins students.

Adult and non-LPS kids will be charged \$6.50 per meal with or without milk. We ask that you have no more than 2 guests per student. *We highly encourage you to add money to your LPS student's account at [SchoolCafe](#) prior to the event to help with meal service speed, as you will be able to pay using your student's account. However, if you have monetary holds on your student's account, this will affect your ability to purchase non-student meals. In this situation, cash or a check is encouraged. **We are grateful you are part of the Hopkins community and sure hope you can join us!**
