

Babe DelGrego Student Athlete Fund

Supporting High School Student Athletes

Babe DelGrego was an avid sports fan in Ilion. When he died in November of 2022, his family, friends and alumni of IHS and CVA created this fund to help keep his memory alive by continuing to support high school student athletes. Students, with the assistance of a staff member sponsor, can apply for financial assistance from this fund. You may apply for personal equipment (cleats, stick...) or camp registration fee. The committee will meet each season to award funds to athletes.

Student Sponsor Form: [Student Sponsor Form](#)

- ☐ Find a staff member to sponsor you.
- ☐ Complete the form with them

Your sponsor and your parent(s) will be notified if you are awarded funding.

If you are funded, your sponsor will purchase your equipment or experience and your sponsor will take a picture of your purchase. You may be in the picture, but you don't have to be.

Lastly, have a great sports season and “*Never be Less than the Best!*”

Sincerely,

Tracy DelGrego, CEO
