- 2. The Stud fee, for this breeding only, shall be a maximum of \$2800 and shall be paid to the Stud Owner as follows:
- A total of \$2800, fee prior to the release of semen. If all applicable fees are not paid, the Stud Owner will not sign the litter registration application or honor a repeat breeding.
 - Should no litter result from this Stud Service, and the owner decide to bring back the same bitch/ or one approved by the Stud Dog Owners, progesterone tests are required to determine correct timing for the breeding. All expenses accrued will be the responsibility of Bitch Owner and the of stud fee of \$1800.00

3. TYPES OF BREEDING:

□ • Frozen Semen

4. PUPPIES:

- The Bitch Owners are responsible for placing the resultant puppies in appropriate homes, and agrees that none of the puppies produced in this litter will be sold either directly or indirectly through a pet shop, newspaper advertising, a wholesaler of purebred dogs, or to an individual acting as agent for a third party, and agree that the bitch will not be sold or transferred while she is in whelp.
- The Bitch Owners agree that all puppies sold as pet puppies to non-competition homes will be sold on limited registration and a spay/neuter contract signed by the proposed puppy owners prior to the delivery of the puppy.
- The Bitch Owners agrees that all puppies sold as show prospects to competition homes will be at the Bitch Owner's discretion and to sell or otherwise place all 'show/performance quality' / 'potential breeding' puppies resulting from this breeding with the written requirement that they must have a normal hip, elbow, heart and eye clearance, all with DNA testing (as explained in section two(2) of this agreement) prior to being bred. Stud Owner can/will be the second choice for a show puppy if the First Owner'(s)are unable or breach their contract with the Bitch Owner and Bitch Owner does not keep puppy, but Stud Owner is not obligated to take a puppy. Upon request on: The Bitch Owners will, free of charge, supply the Stud Owners with the names, addresses, and phone numbers of all persons who are sold or given a puppy from the resultant litter ("New Owners")*.

The Bitch Owners agree that the New Owners may be contacted at a future date to obtain information on the puppies(i.e. Genetic information, health clearances, etc). The Stud Owners shall use reasonable discretion collecting the information.

5. BREEDING EXPENSES: All expenses related to this breeding for Bitch and/or Stud Dog are as follows, but not limited to, boarding at Veterinary location (based on Veterinary clinic rates), smears, artificial inseminations, health certificates, etc (based on Veterinary clinic rates), shipping of collection (based on Veterinary clinic rates), and transportation fee (varies) are the responsibility of the Bitch Owner(s), if incurred. All fees will be discussed prior to the breeding.
