

1919–1949

The following pages of the scrapbook were primarily compiled by Mrs. Orville Zimmerman. The collection includes articles from the local newspaper, the *Daily Dunklin Democrat*, as well as church directories and other relevant materials. Each page of the scrapbook has been scanned in its original form.

There is also a separate folder within this time period, titled 1919–1949 – Special Topics, which highlights documents of particular interest. This includes the 1927 directory, the 1943–44 directory, and the 1944 directory. Additionally, historical information related to the actual building of the church is included in this section. These documents offer valuable insights and a helpful recap of the church's early history.
