

Visual Project for Summer Service (Camps, Independent Study)

Create a Google Slides or PowerPoint slide presentation with highlights from your service experience. Specifics:

1. Minimum 5 slides
2. Include photos from your experience. *If there are restrictions on taking photos of the people you encountered or on using your phone as a camera during service, pull photos from the organization's website to use.
3. Include information on an "average day" such as how you served, what work you were involved in, a basic schedule of an average day
4. Final slide should include the "take-away" from your experience, or one lesson or insight you gained that you want to remember and apply to your life.

Email the link or presentation to Mrs. Barnes at kelly.barnes@jesuithighschool.org, being sure to grant "permission" to view the Google item.
