Things to do when we get finished early!

Lesson / Instruction

Sentence scramble blue sheet

Have the students create a list of things with the class on what they can do when they finish an assignment early.

Ideas: Read, help a friend, finish other assignments, clean out desk, organize desk

They can work in partners and generate at least two things. They can write one idea on the board. Then they can create a poster with their partner to hang in the class under the window on the posterboards.
