Individual Fundraising: all funds raised by the student are used to offset the expense of the student's own fees. Individual fundraising is not required.

Group Fundraising: all funds are grouped together and applied to the costs of the program/activity as a whole. Group fundraising is required.

If the fee you are requesting for the 2025-2026 school year is higher than the approved fee for the 2024-2025 school year, please explain the reason for the increase in the fee:

Both fees are higher than last year due to possible inflation of costs. Cost of camp may possibly be offset by funds earned by planned activities throughout the school year.
