## Peer Portfolio Collaboration Questions

Meet with another Candidate/Mentor pair for 20-30 minutes to review each other's portfolios. Please use these questions to guide your conversation. Each candidate should spend 10-15 minutes sharing highlights of their portfolio through this question guide.

**Guiding Questions to Review the Portfolio Collaboratively:**

1. FOCUS STANDARDS:
    a. What two CSTPs did you choose?
    b. Explain why you chose those two CSTPs.
    c. What did you hope to achieve in focusing on these goals?
2. STUDENT GOALS:
    a. What subject area did you focus on with your students?
    b. What goals did you have for student achievement?
3. PROFESSIONAL DEVELOPMENT:
    a. What professional development did you engage in to support your goals?
    b. How did your professional development support your growth on the CSTPs?
4. OBSERVATION FEEDBACK:
    a. What was your greatest takeaway from the feedback you received from your observation by your mentor?
    b. Why is it important for another professional to spend time observing you teach?
5. GROWTH:
    a. Discuss the growth you saw in your students.
    b. Discuss your professional growth on the CSTPs.
    c. What are you considering as a focus area for the next ILP?
