

How GGToro use cookies and other similar technology on this website.

This policy is effective as of January 24, 2022. Please note that this privacy statement will be updated from time to time.

We can place cookies and other similar technology on your device, including mobile device, in accordance with your preferences set on our cookie setting center. Depending on your settings in our cookie consent manager on your mobile device, the following information may be collected through cookies or similar technology: your unique device identifier, mobile device IP address, information about your device's operating system, mobile carrier and your location information (to the extent permissible under applicable law).

Every time you visit GGToro website, you will be prompted to accept or reject cookies, you can also tailor your selection.

What are cookies?

Cookies are small text files that are placed into user's device when you visit a website, downloaded to your computer or mobile device when you visit a site and allow a site to recognize your device. Cookies stores information about the user's visit, which may include content viewed, language preference, time and duration of each visit and advertisement accessed. Cookies managed by GGToro only are called "first party cookies" whereas cookies from third parties are called "third party cookies".

Why do we use cookies and similar technologies?

Cookies are a useful mechanism that do a lot of different jobs, such as letting you navigate between pages efficiently, remembering your preferences and generally improving the user experience. They can help to ensure that the advertisements you see online are more relevant to you and your interests and enable us to identify your preferences. There are different set of cookies, and we will explain that later in this document.

Does GGToro use cookies for marketing and analytics?

Yes, we may use information collected from our cookies to identify user behaviour and to serve content and offers based on your profile, and for the other purposes described below, to the extent legally permissible in certain jurisdictions.

In other cases, we can associate cookie information (including information from cookies placed via our advertisements on third party sites) with an identifiable individual.

Do you use any cookies from third party companies?

Some cookies, web beacons and other tracking and storage technologies that we use are from third party companies (third party cookies) to provide us with web analytics and intelligence about our sites which may also be used to provide measurement services and target ads.

What if I don't want cookies or similar tracking technologies?

You can adjust your preferences about cookies through our cookie setting center. If you want to remove existing cookies from your device, you can do this using your browser options.

If you want to block future cookies being placed on your device, you can do so by modifying the settings at our cookie setting center. Nevertheless, please consider that deleting and blocking cookies may have an impact on your user experience.

What types of cookies does the site use?

The cookies used on GGToro sites have been categorized as per the table below. However, it is important to note that not all cookies may be used in all jurisdictions or websites. A list of the categories of cookies used on this website is set out below.

Category	Description
----------	-------------

Strictly
Necessary
cookies

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not work. These cookies do not store any personally identifiable information.

Performance
cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site and will not be able to monitor its performance.
