Think about it!

Em mapas, é comum encontrar legendas, escalas, siglas, símbolos, pequenos mapas e outros recursos visuais como cores e desenhos. Para compreender bem um mapa, é necessário compreender o significado desses recursos e as relações entre a linguagem verbal e a não verbal. No mapa desta página, que símbolo é usado para indicar as praias? E o aeroporto? Qual é a função do mapa menor?

How to Get to the Top of Corcovado?

There are a few viable ways:

Bus + Train From Copacabana and Ipanema you can catch local bus 583 and from Largo do Machado 422, 569 or 498 – they go to Cosme Velho where the train leaves from. You can also get a subway + bus integrated ticket that drops you at the same stop. The train departs every 30 minutes 8:30h/19:00h everyday.

Taxi + Train Same thing as the bus, but a bit more expensive and in compensation a lot faster if you live in Copacabana, Ipanema or Leblon.

Van From the subway station Largo do Machado you can take a van all the way to the top and back, the same service you have from Praça do Lido in Copacabana. Tickets are sold at a desk at the subway station that is open everyday 8:00h/17:00h.
