

# PowerSchool Mobile app for Parent/Guardians

**Step 1** - Install the PowerSchool Mobile app on your phone. ([Android](#) or [iPhone](#))

**Step 2** - Enter Lincoln Academy's district code: **XNQD**

**Step 3** - Login using your Lincoln Academy PowerSchool parent username and password. If you are unsure email [LATech@lincolnacademy.org](mailto:LATech@lincolnacademy.org).

## View your student's schedule

- In the bottom navigation, select "Schedule"
- Today's schedule will show, which could be A or B day.
  - For Open House, swipe to an "A" day and after advisor, follow the class schedule in order, then swipe to a "B" day and follow the class schedule in order. A or B day will be unnoticed by the period in the class block.

## Receive push notifications for attendance

Below are instructions to receive push notifications from the PowerSchool mobile app when your student's attendance is marked as absent for any period.

**Step 1** - Select More

**Step 2** - Then select Account and be sure that Push Notifications for Attendance is set to On.

Once complete, your phone will get a Push notification from PowerSchool when your student's attendance is marked as absent for any period.

If you have any questions or problems then email [LATech@lincolnacademy.org](mailto:LATech@lincolnacademy.org) for help.
