

COBBLESTONE POOL RULES 2024

Please keep this document and refer to it as needed.

1. Pool hours are 9:00 am until 8:45 pm. Please be out at 8:45 PM since the gates automatically lock a little before 9:00 PM. Please locate the **RED EMERGENCY** button near the clock in case you ever do get locked in.

****2.** The pool gates will remain locked at all times. Do not open the pool gate for anyone-- if they do not have their own card, or their card does not open the gate, then they are not authorized to be in the pool. Opening the gate for someone will result in an indefinite pool suspension. *Residents of units that are suspended may not use the pool as "guests" of another resident. The resident of the unit must accompany their guests at all times. **TWO** guests are permitted from each unit. If the resident leaves, the guests must leave also. Guests are defined as anyone who comes with you through the gate.

3. **NO RUNNING**, gymnastics, cartwheels, flips, jumping onto floats, etc. are allowed inside the pool gates. Likewise, no abusive or objectionable language, or disturbing intimate behavior.

4. There is no lifeguard on duty. **NO DIVING** is posted 9 times around the pool.

5. Children under age 15 must be accompanied at all times by a responsible adult over the age of 18 who lives in your unit. If the adult leaves the pool area, even for a short time, children must wait outside the gate. 15-17 year olds may swim without an adult, but may **NOT** bring guests.

6. Per Health Dept., no glass or glass containers are ever allowed inside the gates. Pass suspended indefinitely

7. No pets are allowed inside the pool gates.

8. Please dispose of any trash in the cans provided. Smokers please use the ashtrays and empty into the trash cans when you leave.

9. Babies in diapers are not permitted in the pool at any time. A special swimming diaper for babies is required by the Board of Health.

10. **PLEASE** lower umbrellas at the end of your stay and do not move tables from their original locations. Damage to umbrellas left up results in your replacing it.

***11.** Anyone found inside the pool gates after they are locked each night will lose pool privileges for the remainder of the summer.

12. Anyone climbing the fence for any reason will have their pass suspended.
