

What: 6th annual Titan Invite

When: April 9, 2026, start time 1:45; makeup date and time TBD week of the event

Where: The Classical Academy North Campus track; 975 Stout Rd, Colorado Springs

Participating Schools: Air Academy, Alamosa, Cheyenne Mountain, Cotopaxi, Denver East, Doherty, Lamar, Manitou Springs, Mesa Ridge, Monument Academy, Mountain Vista, Palmer Ridge, Pine Creek, Vista Ridge, The Classical Academy

Entry Info: Entries will be submitted via milesplit; the password is **Titans26**. Entries will open March 9 and are due **Tuesday, April 7 at 8pm**. There will be no adds the day of the meet. Milesplit will be set to accept **six entries on the track, 5 entries per field event, and 2 relays**. We should get heat/flight sheets to you Wednesday to peruse; we'll have a few copies on hand, but you should print them out before you come.

Team camps: In designated areas in the East stands or designated areas in the baseball field.

Weigh ins for throws and PV: Will take place in the garage door at the back of the press box.

Parking: Have buses drop athletes off by the press box then park in the Progressive parking lot off of Voyager Parkway (Progressive is south of the school campus, and there will be people/signage directing people to the proper parking lot). Once carpool and our high school students leave campus at 12:45, there will be plenty of parking in the main lot, SW of the track. **Last year, we had people parking in the carpool lane north of the track—please help explain to your visiting families to NOT do this: it creates major headaches for our families picking up their children after school.**
