

Français 11  
Évaluation finale  
Moi

Goal: The purpose of this project is to describe various aspects of your life effectively in the French language. In addition to written work, you will need to include a title page as well as some pictures and a poem or a song. All your work will be compiled in the form of a book or a digital presentation about you.

**Page or Slide 1**

This page must include the title Moi as well as your full name (first, middle and last). In addition, it must have your grade, your teacher, name and the date. Finally, your title page must be a collage of various aspects of your life (your interests, family, Friends.
