

	Missed (0)	Emerging (1)	Approaching (2)	Achieved (3)	Exceeded (4)
Content - The accuracy, organization, clarity, and depth of the information presented.	The presentation lacks accuracy, organization, clarity, and/or depth, and does not meet the minimum requirements of the assignment.	The presentation contains some accurate information, but lacks organization, clarity, and/or depth, and may be difficult to follow.	The presentation includes accurate information that is reasonably well-organized, clear, and sufficiently detailed, but may lack originality or complexity.	The presentation includes accurate and relevant information that is well-organized, clear, and detailed, and demonstrates a good understanding of the topic.	The presentation includes accurate and insightful information that is exceptionally well-organized, clear, and detailed, and goes above and beyond the requirements of the assignment.
Delivery - The effectiveness of the presenter's use of eye contact, vocal variety, body language, and technology to engage the audience and enhance the message.	The presenters show little or no eye contact, vocal variety, body language, or use of technology, and do not engage the audience.	The presenters attempt to use eye contact, vocal variety, body language, and/or technology, but may be inconsistent or ineffective in engaging the audience.	The presenters use eye contact, vocal variety, body language, and/or technology effectively to engage the audience and maintain interest.	The presenters use eye contact, vocal variety, body language, and/or technology skillfully and confidently to engage the audience and enhance the message.	The presenters use eye contact, vocal variety, body language, and/or technology creatively and persuasively to captivate and inspire the audience.
Engagement - The ability of the presenter to capture and maintain the audience's attention, and involve them in the presentation through interactive strategies.	The presentation fails to capture the audience's attention and does not attempt to engage them in any way.	The presentation includes some attempts to engage the audience, but may be awkward or ineffective, and does not sustain their interest.	The presentation includes several effective strategies to engage the audience, such as asking questions, showing visuals, or conducting polls, but may not be consistently engaging.	The presentation uses a variety of effective and engaging strategies to capture and maintain the audience's attention, and responds appropriately to audience feedback and questions.	The presentation uses highly creative and interactive strategies to involve the audience, such as role-playing, simulations, or demonstrations, and generates enthusiastic and positive responses from the audience.
Preparation - The quality of the presenter's research, adherence to guidelines, attention to detail, and overall effectiveness and impact of the presentation.	The presentation shows little or no evidence of research, preparation, or attention to detail, and does not meet the requirements of the assignment.	The presentation shows some evidence of research and preparation, but may lack focus, coherence, or accuracy, and may not adhere to the guidelines.	The presentation shows evidence of thorough research and preparation, and meets most of the requirements and guidelines of the assignment, but may contain minor errors or oversights.	The presentation shows thorough research and preparation, and meets all of the requirements and guidelines of the assignment, and demonstrates professionalism, attention to detail, and overall effectiveness.	The presentation shows exceptional research and preparation, and goes above and beyond the requirements and guidelines of the assignment, and demonstrates outstanding professionalism, creativity, and impact.

Narrative Design Project

Names: _____

Presentation Rubric: _____/12 - _____/200pts

Written Components

Challenge 1:

Concept Sketch: _____/10 pts

Explanation of Characters Visual Design (½ to 1 page): _____/10 pts

10 Question Character Interview: _____/10 pts

Challenge 2:

Description of Level or World (1 Page): _____/10pts

Explanation of Memories and influences (½ to 1 Page): _____/10pts

Visual Representation of Level or World: _____/10pts

Challenge 3:

Paragraph Story Hook: _____/ 10pts

Google Slide of Three Act/Five Part Structure: _____/10pts

Explanation of Themes and Main Ideas of the Plot(Half Page): _____/10pts

Explanation of Game(Half Page): _____/10pts

Subtracted points for being disruptive during presentations _____

Total: _____/300
