Department: SS Unit: 4 / ELO 4 Chapters: 12-13 Course: Social 8

Authors: James Rader, Jason Reierson, Chuck Wake, & Brad Morgan

ELO #4: Students will understand how geographic features impact the location of human population, and the role that planning plays in development.

Standard(s) ELO is based upon: 7.1.4.6.1;8.3.1.2.1; 8.3.3.5.1; & 8.3.3.6.1

Learning Targets

Chapter 12

1. I can identify the branches of City and County government, showing the concept of “separation of powers” and “federalism”.
2. I can identify regions of U.S. population change through migration.
3. I can identify multiple reasons for population migration.
4. I can describe how physical features influence human settlements. (National Geographic lessons in geography)

Chapter 13

1. I can construct a map of a hypothetical “perfect” community that shows problem solving and planning for the future.
