(one line single blank space, 10 pt)

Article Information	ABSTRAK (10 pt, tebal, paling banyak 200 kata) (satu baris spasi kosong, font 10 point)
<p>History of the article: Accepted: ... Corrected: Accepted:.....</p> <p>Keywords: up to 5 keywords in English (9 pt, italicized) (two blank single-spaced lines, 10 pt)</p>	<p>The abstract must be written in english. The abstract is written in Times New Roman font size 10, and single-spaced. The abstract should summarize the content of the paper, including the research objectives, research methods, and results, as well as the paper's conclusions. It should not contain references or equations displayed. The abstract should be no longer than 200 words. (one line blank single space, 9-point font)</p>

Introduction (10 pt, bold)
(one blank single space line, 10 pt)

These instructions provide you with a guide to prepare a paper for Monetary: Journal of Finance And Banking. Use this document as a template if you are using Microsoft Word 6.0 or later. Otherwise, use this document as a set of instructions. The instructions on paper submission and final images in this document are for Monetary: Journal of Finance and Banking; please use this document as a "template" to prepare your manuscript.

Manuscripts are written in Times New Roman font size 10, single-spaced, left-right aligned, single-sided pages and on A4 paper (210 mm x 297 mm) with Top 4 CM, Right 3 cm, left 3 cm, Bottom 3 cm. Column width when using a single column, the space should be a single space.

The manuscript including the content of graphs and tables should be between 4 to 10 pages. Manuscripts should be written in English. Standard English grammar should be observed if using English. The title of the article should be brief and informative and should not exceed 12 words. Keywords are written after the abstract.

The first letter of the heading is capitalized and the heading is numbered with Arabic numerals. The structure of the manuscript includes Introduction, Methods, Results and Analysis, Conclusion and References (Introduction, Methods, Results and Analysis, Conclusion, References). Acknowledgments (if any) are written after Conclusions and before References and are not numbered. The use of subheadings is discouraged.

The use of abbreviations is allowed, but abbreviations must be written in full and complete when mentioned for the first time and must be written between brackets. Foreign or regional terms/words should be italicized. Notations should be short and clear and written in accordance with the standard writing style. Symbols/signs

Results (10 pt, bold)

(one line single blank space, 10 pt)

Results and discussion contain the results of the research obtained presented in the form of theoretical descriptions both qualitatively and quantitatively. The results of experiments/research can be displayed in the form of graphs, figures, tables and others that can make it easier for readers to understand.

The manuscript is written in Times New Roman font size 10, single-spaced, left-right aligned, single-sided pages and on A4 paper (210 mm x 297 mm) with Top 4 CM, Right margin 3 cm, Left 3 Cm, Bottom 3 cm. Column width when using a single column, the space should be a single space.

Conclusion

(one line single space blank, 10 pt)

The conclusion presents the expected statement as stated in the "Introduction" and finally gets the results in the "Results and Discussion", so that there is congruence between them. In addition, prospects for further research development and applications that can be continued based on the "results and discussion" can be added. Avoid bullets and numbering in the conclusion. If it is really needed, numbering should be done horizontally as follows: 1) Fill in number one. 2) Fill in number two. 3) Contents number three. There are no sub-chapters in the conclusion.

Bibliography

(one line blank single space, 10 pt)

The bibliography uses a minimum of 10 sources and where the last 10 years. The following is an example of writing a bibliography on Monetary: Journal of Finance and Banking. The bibliography or reference uses APA Style (Author's Name. (Year). Title of Article. Journal Name, Edition Vol (Number), Page.
