

Privacy Policy for Aritmatika Dungeon

Effective Date: August 22, 2024

Thank you for choosing to play Aritmatika Dungeon ("the Game"). Your privacy is important to us, and this Privacy Policy explains how we collect, use, and protect your personal information while using our game.

1. Information We Collect

- **Gameplay Data:** We may collect information about your gameplay, such as high scores, progress, and achievements, to enhance your gaming experience.
- **Device Information:** We may collect information about the device you use to play the game, such as device type, operating system, and unique device identifiers.
- **Log Data:** When you use our game, we may collect log data, such as your IP address, browser type, and the time and date of your game sessions.

2. How We Use Your Information

- **To Improve Gameplay:** We use the collected data to analyze player behavior, identify issues, and improve the overall gameplay experience.
- **To Communicate with You:** We may use your email address (if provided) to send you updates, promotional offers, or information about new features.
- **To Ensure Security:** We use log data to monitor for suspicious activity and protect the integrity of the game.

3. Sharing of Information

We do not share your personal information with third parties, except in the following situations:

- **Legal Requirements:** We may disclose your information if required to do so by law or in response to valid requests by public authorities.
- **Service Providers:** We may share information with third-party service providers who assist us in operating the game, provided they agree to keep the information confidential and use it only for the purposes of providing the service.

4. Data Security

We take reasonable measures to protect your data from unauthorized access, alteration, or destruction. However, no method of transmission over the internet or electronic storage is completely secure, and we cannot guarantee its absolute security.

5. Children's Privacy

Our game is not intended for children under the age of 13. We do not knowingly collect personal information from children under 13. If we discover that a child under 13 has provided us with personal information, we will delete it immediately.

6. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page, and the updated policy will be effective as of the date of posting.
