

Hi Ben,

I've been following you on YouTube since 2021,

When I saw your huge success NO EXCUSES, I was flabbergasted!

After that, I was curious to see the new video that you'd upload every single week.

And I had to say, since I followed you, I have changed my mindset a lot.

My name is Giannis, I am a copywriter and marketing strategist,

I have been a trainee for 2 and a half months but I have a very successful mentor.

I have identified some things that can be improved.

And it doesn't have to do with your Spotify streaming or podcasts.

I'd love to provide you with my ideas so that you 'll see better results!

I can send you a free sample of my work towards your business and you can tell me if you like it or not.

If you are interested in improving your business , reply and let me know.
