

Fremont Unified School District  
Department of Federal and State Programs  
Native American Studies Program

**¿Are you of Native American or Native Alaskan descent?**

Fremont Unified School District offers students and families of Indigenous Americans many resources, such as

- Free tutoring and homework support
- Culture classes
- Native American library
- Native American Museum (field trips available)
- Community Service for high school students
- Family Events

Call or come to the center for more information. Applications are available both at the center and online:
