

College Park Arts Exchange encourages you to show your Spring Spirit with Cherry Blossoms!

The 2022 National Cherry Blossom Festival wants area residents to decorate their porch, stoop, balcony or window with festive pink Cherry Blossom displays. CPAE encourages you to coordinate and share ideas with your neighbors for this fun, community building arts event!

Registration is now open!

<https://nationalcherryblossomfestival.org/event/petal-porches/>
Decorations should be on display from **March 20 through April 17.**

Find out more about Petal Porches, including how to register for official inclusion in the Cherry Blossom Festival, rules, and several videos on making your own cherry blossom decorations by upcycling common materials at the official website above.

Materials used to decorate can be anything you like! Reusing old party decorations, wrapping paper, and plastic bags and bottles is a great way to upcycle. Balloons, paper lanterns, crepe paper, and cherry blossom branches and garlands are great. You might include prancing pink ninjas, pink rabbits, or of course, pink flamingos! **Share your decorations with CPAE on Facebook!!** Contact info@cpae.org with any questions.
