Privacy Policy for PromptKeep

PromptKeep does not collect, store, sell, or share any personal user data.

All prompts, categories, favorites, and settings are stored locally on the user's device using Chrome local storage. No data is transmitted to external servers.

PromptKeep does not:

- Collect personal information
- Track browsing activity outside ChatGPT
- Use analytics or tracking scripts
- Sell or transfer user data to third parties
- Use remote code or external databases

Permissions are used only to provide the extension's core functionality inside ChatGPT.

If you have any questions about this privacy policy, you can contact:
