

<Name>

Mr. Burns

Pre-AP US History I

<Due Date>

**Instructions:** You will have 5 minutes paired up with each of your partners. During this time you should share what life was like for your assigned role. Then have your partner share what life was like for their assigned role. Take notes on what life was like for them in English Colonies.

Women:

Your Role: Rich Men:

Rich men had nearly unlimited power in colonial households. Men were allowed to beat their wives. Wealth was based on land ownership. Most land owners were white men. These land owning men dominated politics. They owned mansions and townhouses to show off their status. They would decorate their houses with lavish furniture and artwork.

Working Class Men:

Southern African Americans:

Northern African Americans:
