

# Rubric - Board Output Project

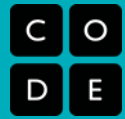

## Board Output Rubric

Evaluate your program according the following criteria. Explain where in your code each criteria can be found in the comments column.

Criteria	Yes/No	Comments
The program uses at least two event handlers to respond to user input		
The program is logically organized using functions		
The program uses board elements for output		
The program code makes use of whitespace, indentation, and comments to aid the reader		
The program is usable and works as intended		
The project guide has been fully and neatly completed		

# Practices Reflection

Practice	Things to Celebrate	Things to Work On
