NOTES:

- All courses receive 10 credits
- The courses listed above receive 5.0 GPA weighting. Community college courses must be approved by a school counselor to be counted for credit and/or placement at CAHS (e.g. student wants to take a math course at a community college to jump ahead at CAHS).
- Course descriptions for these classes can be found here: https://catalog.miracosta.edu/disciplines/
- Check with individual 4-year colleges to determine transferability of community college credits.
- A full list of updated Common Course Numbering Changes can be found here: https://www.miracosta.edu/office-of-the-president/public-information-office/ccn.html
