NOTES:

- All courses receive 10 credits
- The courses listed above do not receive 5.0 GPA weighting. (Only courses at a higher level than what is offered at CAHS can get 5.0 weighting with counselor approval.)
- Community college courses must be approved by a school counselor (Concurrent Enrollment Approval forms available in the Counseling Office) to be counted for credit and/or placement at CAHS (e.g. student wants to take a math course at a community college to jump ahead at CAHS).
- Course descriptions for these classes can be found here: <https://catalog.miracosta.edu/disciplines/>
- Check with individual 4-year colleges to determine transferability of community college credits.
